The European Society of Neurogastroenterology and Motility (ESNM) and the American Neurogastroenterology and Motility Society – Functional Brain-Gut Research Group (ANMS-FBG) would like to invite you to participate in the next Joint International Neurogastroenterology and Motility Meeting to be held on 6 – 8 September 2012 in Bologna, Italy (NGM 2012).

Vincenzo Stanghellini

The purpose of this meeting is to bring together leading experts and emerging young investigators actively involved in neurogastroenterology, digestive motility and functional gastrointestinal diseases from all around the world to discuss cutting-edge research. The meeting is also aimed at attracting physicians and health care professionals with an interest in these common pathological conditions whose diagnosis and treatment require updated knowledge in this rapidly growing area of medicine. The scientific committee has produced an exciting and comprehensive programme. Attention has been paid to address basic, translational and clinical aspects of hot topics of neurogastroenterology including: molecular and environmental factors influencing neuromuscular and other components of the gut wall, stress mechanisms of gastrointestinal functional and motility disorders, pain mechanisms, nutrient/microbiome sensing and function, epidemiological, pathophysiological and clinical aspects of functional esophago-gastro-intestinal disorders in different parts of the world, new technologies for the assessment of esophago-gastro-intestinal motility and perception, shortcomings and promises of current and future therapies.

Home of the oldest University of the world, Bologna maintains the elegance of a wealthy medieval city. It is well connected to the rest of Europe by one of the largest airports in Italy and it is conveniently located in the heart of the country, only 30 to 180 minutes away from other main cities such as Florence, Venice, Milan and Rome, by train. September is a very pleasant period of the year in Italy and we hope the artistic and naturalistic beauties of the country will contribute to attract you to attend NGM 2012.

Looking forward to seeing you in Bologna and sharing with you this exciting meeting.

### Topics

- ▶ molecular and environmental factors influencing neuromuscular and other components of the gut wall
- ▶ stress mechanisms of gastrointestinal functional and motility disorders
- ▶ pain mechanisms
- ▶ nutrient/microbiome sensing and function
- ▶ epidemiological, pathophysiological and clinical aspects of functional esophagogastrintestinal disorders in different parts of the world
- ▶ new technologies for the assessment of esophago-gastrointestinal motility and perception
- ▶ shortcomings and promises of current and future therapies

### Awards and Grants

A limited number of travel grants will be provided to investigators who had an abstract accepted for presentation (oral or poster), based on scientific quality of submission and career status (no more than 7 years from obtaining the degree and not as yet in an advanced position of basic science or clinical career).

### CME Accreditation

The 2012 Joint International Neurogastroenterology and Motility Meeting is in the process of seeking approval from the European Accreditation Council for Continuing Medical Education in Brussels (EACCME) to provide continuing medical education (CME) credits to physicians for attendance at the scientific sessions. The EACCME is an institution of the European Union of Medical Specialists (UEMS). Following the agreement signed between the UEMS/EACCME and the American Medical Association, the EACCME credits are recognised as PRA Class 1 Credits by the AMA and vice versa.

## List of Titles of Lectures and Workshops

---

### Lecture 1

- ▶ **Advances in clinical research**

### Lecture 2

- ▶ **Advances in basic research**

### Lecture 3

- ▶ **Neural mechanisms of visceral sensation**

### Workshop 1

- ▶ **Marcello Tonini contribution to the study of the intestinal peristalsis**

Lecture 1: Contributions of Marcello Tonini to the study of peristalsis

Lecture 2: Mechanisms of motor pattern in the colon

Lecture 3: What mediators are important in peristalsis

Lecture 4: Remodelling of peristalsis in inflammation

### Workshop 2

- ▶ **Controversies in smooth muscle electrophysiology**

Introductory and historical notes

Lecture 1: Fact

Lecture 2: Artifact

Lecture 3: Electrogastrography: Is it valid?

General discussion

Concluding remarks

### Workshop 3

- ▶ **Stress mechanisms in GI functional and motility disorders**

Lecture 1: Epidemiology of acute and chronic stress on upper and lower FGID

Lecture 2: Neurobiological mechanisms of stress and emotions in FGID

Lecture 3: Molecular mediators of stress in FGID

Lecture 4: Molecular basis of the relationship between early life stress and FGID

#### Workshop 4

##### ► Advances in structural biology, pathophysiology and diagnosis of the anorectum

- Lecture 1: Structure and function in neuroregulation of the anorectum
- Lecture 2: Artificial anal sphincter – A biologic plausibility
- Lecture 3: Pathophysiology of incontinence and dyssynergic defecation
- Lecture 4: High definition 3-D anorectal manometry – How useful?

#### Workshop 5

##### ► Pain mechanisms

- Lecture 1: Ion channels in visceral pain
- Lecture 2: Central regulation of visceral perception
- Lecture 3: Peripheral mechanisms
- Lecture 4: Genetics of visceral pain

#### Workshop 6

##### ► Nutrient sensing and endocrine function in the GI tract

- Lecture 1: Taste receptors and signalling in the GI tract
- Lecture 2: Nutrient sensing by enteroendocrine cells
- Lecture 3: Metabolic effects of GI hormones
- Lecture 4: Therapeutic modulation of satiety

#### Workshop 7

##### ► Immune-nerve interactions

- Lecture 1: Immune modulation of visceral afferents
- Lecture 2: Immune modulation of the ENS
- Lecture 3: Ischemia/reperfusion and the ENS
- Lecture 4: Neuro-immune mechanisms: A translational view

#### Workshop 8

##### ► Rise and fall of the enteric nervous system

- Lecture 1: New trends in the development of ENS
- Lecture 2: Development and degeneration of specific subsets of enteric neurons
- Lecture 3: Ongoing development of the ENS
- Lecture 4: Enteric neurodegeneration in obesity and diabetes

#### Workshop 9

##### ► Esophageal and swallowing disorders

- Lecture 1: Swallowing-brain network in health and disease
- Lecture 2: Transcranial magnetic stimulation – A diagnostic and therapeutic tool in swallowing disorders
- Lecture 3: Newer understanding of EUS function with high resolution manometry
- Lecture 4: Neonatal development of swallowing function and reflexes

#### Workshop 10

##### ► Moving beyond nerves and muscle

- Lecture 1: Fibroblast-like cells in purinergic neurotransmission
- Lecture 2: Spontaneous electrical activity of fibroblast-like cells
- Lecture 3: Mast cells and macrophages
- Lecture 4: Development and plasticity of ICC
- Lecture 5: Blood-brain barrier of the little brain

#### Workshop 11

##### ► Peripheral mechanisms of IBS

- Lecture 1: Microbiota and other luminal factors
- Lecture 2: Intestinal gas: Mechanisms of symptom perception
- Lecture 3: Intestinal permeability
- Lecture 4: Immune activation

#### Workshop 12

##### ► Shortcomings and promises of current and future therapies

- Lecture 1: Gastro-esophageal reflux disease
- Lecture 2: Functional dyspepsia
- Lecture 3: Irritable bowel syndrome
- Lecture 4: Functional constipation

#### Workshop 13

##### ► Molecular and environmental factors in enteric neuropathies

- Lecture 1: Genetics of human enteric neuropathies
- Lecture 2: Epigenetic mechanisms in the ENS
- Lecture 3: GI involvement in CNS disorders
- Lecture 4: A new classification for GI neuromuscular disorders

#### Workshop 14

##### ► Global and cross-cultural perspectives of FGID\*\*

- Lecture 1: Asia
- Lecture 2: Latin-America
- Lecture 3: Middle East
- Lecture 4: Africa

### General Information

NGM is the most important meeting on neurogastroenterology, digestive functions and relative pathological conditions to be held in the world. Abstract submissions for NGM are increasing year on year in both number and quality. Any effort is made for further improving the environment of both oral and poster presentations to allow your work to get the best possible quality exposure. Travel grants will be offered to young presenters of oral and poster communications, based on the scientific quality of the submitted abstracts. Accepted abstracts will be published in NEUROGASTROENTEROLOGY AND MOTILITY, the official journal of the European Society of Neurogastroenterology and Motility, the American Neurogastroenterology and Motility Society/Functional Brain-Gut Research Group, and online on the congress website [www.ngm2012.org](http://www.ngm2012.org).

### Rules for Submission

Participants are invited to submit original scientific abstracts for oral and poster presentation provided that the abstracts **have not been previously published as a full paper**. If you have submitted your paper to a journal for publication, please ensure that the publication date will be after the congress. Note that abstracts presented previously at national or international meetings may be submitted providing this is declared, but that we particularly welcome work not previously presented at international meetings.

Authors are requested to conform to guidelines for submission of abstracts. Abstracts not conforming to the guidelines will not be referred for review. The abstracts must be submitted in English and must also be presented in that language. Abstracts will be reviewed by a panel of experts and, if accepted, may be selected for oral or poster presentation (or may be rejected).

Submission of an abstract constitutes a formal commitment by the author to present the abstract in the session and at the time decided upon by the NGM Scientific Committee. Any change in the presenting author needs to be communicated in the form of a written statement. If the original presenting author is unable to present the abstract, it is that person's responsibility to ensure that one of the co-authors takes over this role. The registration fee for the presenting author will not be waived, but is considered valid for his/her replacement.

Notification of acceptance or rejection will be mailed to the submitting author at the e-mail address supplied in the course of the 2nd half of May 2012. Detailed information, guidelines and recommendations for oral or poster presentation, as well as time allotment, date, hour and venue, will be sent in advance to authors whose abstracts are accepted for presentation.

Registration to the Congress is compulsory to be able to present the abstract and get it published in the journal – and must be completed by **30 June 2012**.

### Conflict of Interest

Abstract submission must be accompanied by a declaration of any potential conflict of interest for all authors, since it is in the intent of NGM to provide high-quality sessions focused on educational content that is free from commercial influence or bias.

### Important Dates

Opening of Abstract Submission ► **1 December 2011**

Deadline for Abstract Submission ► **31 March 2012**

### Steps How to Submit an Abstract

- Abstracts may be submitted only electronically by using the online form on the congress website [www.ngm2012.org](http://www.ngm2012.org).
- Abstracts sent by mail, email or fax will not be accepted.
- The length of the abstract should not exceed 2,900 printable characters including author details, headers, punctuation and blank spaces.
- The abstract should be structured as indicated on the website. One table can be included.
- Abstracts can be saved in draft status and completed before the deadline.
- The submission system will generate a temporary submission number that must be used in all correspondence. If you do not receive this number immediately after your submission, your abstract has not been registered.
- Choose one primary topic listed on the website which best corresponds to the content of your abstract.
- Tick the relevant box corresponding to your preferred method of presentation. Note that the NGM Scientific Committee may or may not consider this choice.
- Please tick the box "Basic", "Translational" or "Clinical" that best applies to your abstract.
- If you need to withdraw your abstract, a written statement reflecting the reasons for this decision needs to be sent to [ngm2012@cpo-hanser.de](mailto:ngm2012@cpo-hanser.de) not later than 31 July 2012. Thereafter, NGM cannot make any changes within its printed matters.

### Guidelines for Abstract Presentation

- A title that clearly indicates the nature of the investigation needs to be provided.
- Abbreviations should be avoided in titles, but may be used in the text if they are defined at first usage.
- The authors' names (full first names, family names) and places of work (institution, city, country) must be shown.
- The abstract should be as informative as possible:
  1. State the specific **objective** of the study
  2. State the **methods** used, if pertinent
  3. Summarise the **results** obtained
  4. State the **conclusions** reached
- Please ensure that your abstract does not contain spelling, grammatical or scientific errors, as it will be reproduced exactly as submitted.

## Registration Fees

Registration and Payment received	by 30 June 2012	by 20 August 2012	after 20 August 2012
Member of ESNM or ANMS-FBG	EUR 350	EUR 475	EUR 600
Non-Member of ESNM or ANMS-FBG	EUR 400	EUR 525	EUR 650
Resident, Post-Doctoral Fellow*, Trainee*	EUR 150	EUR 200	EUR 300
Accompanying Person	EUR 100	EUR 100	EUR 100

\* Applicants must be under 40 years of age and a certificate from the supervisor or Head of Department must be forwarded together with the registration.

Please register online for NGM 2012: [www.ngm2012.org](http://www.ngm2012.org).

Registrations received after 20 August 2012 will be processed as on-site registrations.

### Registration Fee for NGM Delegates, Residents, Post-Doctoral Fellows and Trainees includes:

- ▶ Admission to all scientific sessions (Thu – Sat, 6 – 8 Sept)
- ▶ Admission to poster exhibition and technical exhibition
- ▶ Admission to the Welcome Reception (Thu, 6 Sept)
- ▶ Congress materials (delegate bag, final programme, etc.)
- ▶ Coffee breaks and lunches (Thu – Sat, 6 – 8 Sept)

### Registration Fee for Accompanying Persons includes:

- ▶ Admission to the Welcome Reception (Thu, 6 Sept)
- ▶ Half-day Bologna Sightseeing Tour

## On-site Registration (after 20 August 2012)

Participants who would like to register on-site are advised to arrive early. On-site registration does not necessarily entitle the participants to receive a delegate bag and abstract document. On-site registration will be handled upon a first-come, first-served basis, priority will be given to pre-registered delegates.

## Payment

When registering for NGM 2012, please arrange payment of the registration fee. All payments must be made in EUR. You can choose between two forms of payment, credit card payment or bank transfer. We strongly recommend credit card payment as charges for bank transfers may apply twice, once in the country of origin, and a second time in the target country.

Please transfer your registration fee to the following account:

- ▶ **Credit card** (AMEX, Eurocard/Mastercard, VISA)
- ▶ **Bank transfer** to the congress bank account:  
CPO HANSER SERVICE GmbH w/NGM 2012 ZB  
Deutsche Bank PGK AG  
Account Number: 5 856 786 17  
Bank Code: 100 700 24  
IBAN: DE24 1007 0024 0585 6786 17  
BIC (SWIFT CODE): DEUT DE DB BER

## Confirmation

Upon receipt of the registration and the corresponding payment, the congress office will send a confirmation to the participant which also serves as an invoice. Please show this confirmation of registration at the congress counter when picking up your congress material.

## Cancellation

In the event that the attendance at the congress is cancelled by 30 June 2012, the registration fee minus a processing fee of 25 % will be refunded. The attendee will have the option to prove that the expenditure for processing is less than 25 % of the registration fee. No refund will be made if the registration is cancelled at a later date. Please notify the congress office of your cancellation in writing.

### Congress Venue

Nuovo Polo Congressuale, Palazzo dei Congressi and Sala Maggiore  
Piazza della Costituzione N°4/a  
40128 Bologna, ITALY  
www.bolognacongressi.it

The city's largest convention centre is made up of the Palazzo della Cultura e dei Congressi and the brand new Sala Maggiore.

Located in one of Europe's most prominent trade fair districts, the Nuovo Polo Congressuale is a modular space that is vast in size and world-class in scope.

Its refurbished space, completely configurable to the exhibitor's needs, seats a total of 11,000 people and features large halls equipped to host exhibitions and receptions in an elegant yet modern setting.

### Congress Registration Desk

The congress counter will be located on the ground floor of Sala Maggiore.

### Preliminary Opening Hours

Thursday, 6 September, 2012 ▶ 11:00 – 20:00  
Friday, 7 September, 2012 ▶ 07:00 – 19:30  
Saturday, 8 September, 2012 ▶ 07:00 – 19:30

### Poster Exhibition

Posters will be displayed from Friday, 7 September until Saturday, 8 September on the second floor of Sala Maggiore. Information regarding poster format, set-up and dismantling will be sent to the authors along with their notification of acceptance.

### Technical Exhibition

The NGM will be accompanied by a major technical exhibition taking place on the first floor of Sala Maggiore.

Potential exhibitors can request an exhibition/sponsoring brochure from the Congress and Exhibition/Sponsor Office, CPO HANSER SERVICE.

Email: ngm2012@cpo-hanser.de

### Provisional Exhibition Hours

Friday, 7 September 2012 ▶ 09:00 – 18:00  
Saturday, 8 September 2012 ▶ 09:00 – 18:00

### Congress Language

The official language of NGM 2012 is English.

### Congress Website

Further and updated information will be available on the Internet at [www.ngm2012.org](http://www.ngm2012.org). Registration, hotel reservation and abstract submission are available online

### Congress Information System

#### CO CONGRESS ONLINE®

For the NGM 2012 Meeting, the web based Congress Information System **CO CONGRESS ONLINE®** has been installed at [www.ngm2012.org](http://www.ngm2012.org).

Prior to the congress **CO CONGRESS ONLINE®** will provide information on:

- ▶ Preparation of the congress
- ▶ List of topics
- ▶ Call for abstracts
- ▶ Preliminary scientific programme
- ▶ Accepted abstracts
- ▶ Satellite Symposia and Breakfast Meeting
- ▶ List of participants (who is who)
- ▶ List of exhibitors
- ▶ Supporting programme
- ▶ Congress venue
- ▶ Information about Bologna
- ▶ Hotel accommodation
- ▶ Travel to Bologna
- ▶ Special news
- ▶ Private mailbox

### Final Programme and Abstracts

The final programme and abstracts will be published on the Internet at [www.ngm2012.org](http://www.ngm2012.org) prior to the congress. Participants will receive a copy of the final programme with their congress material on-site.

### Press

### Invitation Letters

The congress will be pleased to send a formal letter of invitation to any individual requesting one. It is understood that such an invitation is intended to help potential delegates to raise funds or to obtain a visa. This does not imply a commitment neither from the ESNM nor from the ANMS-FBG to provide any financial support.

Please request invitation letters from the congress office CPO HANSER SERVICE well in advance but no later than **15 August 2012** as especially during the last weeks before the congress, processing time might vary.

The letters will be sent as email attachment. If an express delivery is required, the delegate shall order a courier at his/her own expense.

### Visa

The entry formalities for Italy vary according to the country of origin.

All visitors entering Italy must have a passport that is valid for at least three months beyond the length of stay.

For citizens of the European Union Member Countries, a valid identity card is sufficient. Please address inquiries about entry and vaccination requirements to the Italian Consulate General or consult the website of the Ministry for Foreign Affairs in Italy.

### Hotel Accommodation

AIM Group International is the official housing agency for the 2012 Joint International Neurogastroenterology and Motility Meeting.

A major number of hotel rooms in different price categories have been reserved in Bologna for NGM 2012. Some hotels are available in the vicinity of the congress venue but most of the hotels are located in the city centre. The congress venue can be comfortably reached from all hotels by public transportation.

Congress participants are strongly recommended to book the hotel rooms they require through AIM Group International who offers extremely competitive net rates without any surcharge and booking conditions that will hardly be achievable when booking otherwise.

We advise to make your hotel reservation as early as possible in order to have the best choice of available hotels. Hotel reservations can be made online via the congress website: **[www.ngm2012.org](http://www.ngm2012.org)**

If you have any further questions about accommodation, please contact AIM Group International at: [ngm2012.hotel@aimgroup.eu](mailto:ngm2012.hotel@aimgroup.eu)

#### Group Reservations

Group reservations (10 rooms minimum) will be handled by separate contracts and separate regulations. Please contact AIM Group International directly at **[ngm2012.hotel@aimgroup.eu](mailto:ngm2012.hotel@aimgroup.eu)** for further information.

### Full-Day Tour: Florence – Academia and Uffizi Gallery

Departure from Bologna in the early morning. First quick stop to the Piazzale Michelangelo to enjoy the view.

Private guided visit to the Academia Gallery. Full immersion with your private guide in the art of Michelangelo to know his most renowned work, the “David”, and other important works of art such as “I Prigioni” and “San Matteo” and the “Palestrina Pietà”. The young Michelangelo carved the David from a huge block of rough marble in three years, creating an imposing sculpture of absolute beauty, an icon of the renaissance model. He depicted a magnificent nude young man at the height of his physical vigor, whose intense expression of strength and courage, which originated from an absolute faith in God, rises as a symbol of power and invincibility of the Florentine Republic at the time of its maximum splendour. At the end of the tour you can remain in the museum to explore further at your leisure.

You can’t leave Florence without visiting one of the most important art galleries in the world. Here you can admire

with your private guide numerous works of art by Botticelli, Michelangelo, Leonardo da Vinci, Raffaello, Giotto, Cimabue, Masaccio and many others. Among the precious exhibition halls of the Gallery, the most renowned one contains the refined works by Botticelli, amongst which the absolute masterpieces: “Primavera & Birth of Venus”. The latter painting, the icon of the museum, represents the allegory of the birth of the goddess emerging from the sea foam and symbolises the ideal of beauty as an expression of purity and spiritual quality, typical of the Renaissance Neo-Platonism aesthetics. At the end of the tour you can remain in the museum to explore further at your leisure.

Departure from Florence to Bologna.

Course – Colle Val d’Elsa – Certaldo

Buffet breakfast and Cooking Course with lunch (optional) in your hotel or departure to Colle Cal D’Elsa and Certaldo, with free time for lunch (not included). Colle Val d’Elsa is a centre for art and culture near Siena with a population of over twenty thousand inhabitants. It sits between the hills and the river Elsa. Colle di Val d’Elsa is home to the ‘Bianchi Bandin’ Archaeological Museum, the Civic Museum of Sacred Art, Palazzo Campana and Palazzo Pretorio. The town’s history goes back to the medieval era, although there is evidence of human settlements here as far back as the Neolithic Age. The first documented evidence of the town comes from the tenth century. At that time, the villages of Santa Caterina, Castello di Piticciano and Piano were

growing thanks to the nearby pilgrims’ route, the Via Francigena. In Colle Val D’Elsa you can visit also The Cristal Museum. Certaldo: Inhabited since the Etruscan times, the name Certaldo derives from the Latin phrase “cerrus altus” or from the Germanic, “cerrus aldo,” both meaning ‘a rise covered in oaks.’ In 1164, Emperor Frederick Barbarossa conceded an area od ruins to the Alberti Counts in Prato, thus allowing them to take possession of the area where Palazzo Pretorio now stands. In 1184, Certaldo came under the control of Florence. The family of Giovanni Boccaccio (1313 – 1375) lived in Certaldo during various periods. Dinner and night in 4\* Villa in Tavarnelle Val di Pesa.

## Information on Bologna

Bologna lies between the Po River and the Apennine Mountains of Northern Italy. The city is situated 52 km/32 miles south of Ferrara, 151 km/94 miles south-west of Venice and 378 km/234 miles north of Rome. It is the seventh largest city in terms of population and it is the heart of a metropolitan area of about 1,000,000 inhabitants. It is home to prestigious cultural, economic and political institutions as well as one of the most impressive trade fair districts in Europe. Bologna is well-known for its food and for its politics, and is now regarded to be one of the most attractive cities in Italy, being full of character. The beautiful city centre in Bologna is well preserved and maintained, and is a credit to the city's policy of preservation. The historic city of Bologna is divided up into districts and the city centre is separated from the rest of the city by large, ancient walls.

With unified architecture and marbled pavements, this charming Emilian city is well pedestrianised and easily explored by foot. From the city's two main squares Piazza Maggiore and Piazza del Nettuno located in the heart of Bologna, most of the city's main tourists attractions and historical monuments are within walking distance. Bologna is a thriving university city and the enormous University of Bologna is Europe's oldest, founded over 900 years ago.

### Transportation between the Airport and the City

Guglielmo Marconi International Airport, 6 km outside the city centre, links Bologna with the main Italian and European airports. It is a major airport in Italy for the number of international destinations served, with modern technology for safety and environmental protection.

Visitors arriving at Guglielmo Marconi International Airport can reach the Central Station and the city center in 20 minutes by the Aerobus-BLQ line.

### Public Transportation

Many distances in the historical centre of Bologna can be fast covered by foot. An efficient public transport system allows to go quickly anywhere in the city.

The Azienda Trasporti Consorziati Bologna (ATC Bologna Public Transport Authority) runs the public transport system in Bologna. The fleet comprises of 900 vehicles, half of which run on urban routes (buses, minibuses, and trolley buses), 150 on suburban routes and the remaining 300 on extra-urban routes.

City buses are frequent and cheap; tickets can be purchased at booths throughout town. Pick up a bus where you see a red sign saying ATC. There are a number of bus lines that link the most important points of the city, as well as the surrounding area. To travel it is necessary to buy a ticket before boarding – from tobacconist shops, at newspaper stands, at ATC offices or from automatic machines – as they are not sold on the bus. They must be stamped at the beginning of the journey. The central bus station is in Piazza XX Settembre, near the main train station.

The University and the centre of Bologna can be reached by bus no. 35 from the congress venue Nuovo Polo Congressuale. The frequency of the bus no. 35 is about every 15 minutes from 7 am to 8 pm.

### Taxi

Most people prefer to use taxis for speed and comfort. Taxis are available at any time. The taxi trip from the airport to the city centre takes about 20 minutes.

### Climate

Bologna's climate is fairly moderate, although it can reach extremes of heat in the summer. The city has a continental climate. Summers are long, hot and quite muggy due to the high humidity in this area while fall is in general, mild and rainy. Fall can also be subject to heavy rains at times.

### Currency and Banking

The Italian currency is the Euro (€).

You can pay by credit card in practically all shops, restaurants, museums, etc. as well as in cash, of course.

Banking hours of business are slightly variable in Bologna but are in general from 9 am to 4 pm with a two hour lunch break at midday from Monday to Friday.

Bank services are available at the airport and throughout the city of Bologna.

Furthermore, "Emilbanca" Bank is only a few minutes walk from the meeting venue. It is open from 8.30 am to 1.30 pm and from 2.30 pm to 4 pm.
